EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Chris McDonald on June 10, 2009.

The claims have been amended as follows:

8. (Canceled)

Claim 8 has been canceled as being a duplicate of claim 12.

Response to Arguments

Applicant's arguments filed March 19, 2009 have been considered. Applicant has overcome the rejections over Watanabe (WO 02/48456, US 6,921,461, US 6,736,939), set forth previously. The application is in condition for allowance.

The examiner has corrected the file wrapper information regarding the spelling of the inventor Takahisa Hikida. The examiner has also requested OIPE for a corrected filing receipt to be mailed to Applicant.

Allowable Subject Matter

Claims 3-7 and 12-16 are allowed.

The following is an examiner's statement of reasons for allowance:

In a press belt having terminal areas and a central area in the cross direction and composed mainly of a thermosetting polyurethane containing a phenylene isocyanate derivative having an isocyanate group (NCO) on an end and a hardener having an active hydrogen group (H) on a end, the prior art does not disclose or suggest an equivalent H/NCO ratio of at least 1.01 and not more than 1.14 for the terminal areas and at least 0.85 and less than 1.08 for the central area.

The prior art also does not disclose or suggest a shoe press roll comprising an outer cylinder and a pressure shoe located inside the periphery of the outer cylinder wherein the outer cylinder is formed by the aforementioned press belt.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
